

In 2024, Kochi University will celebrate its 75th anniversary.

At our university, in 2022, the predecessor of our institution, the former Kochi Senior High School, celebrated its 100th anniversary. Following that, in 2023, we marked the 20th anniversary of the merger with Kochi Medical School, and now in 2024, we are commemorating the 75th anniversary of the founding of Kochi University.

Therefore, we have designated the period from May 2022 to November 2024 as the anniversary period. During this 2.5-year span, we will be conducting the 'Kochi University 75th Anniversary Commemorative Project'.

We kindly ask for your contribution to
the Kochi University 75th Anniversary Project.
Your donation will be greatly appreciated.

The 'Kochi University 75th Anniversary Commemorative Project' provides an opportunity to express our gratitude once again to the various stakeholders who have supported and collaborated with our university. We plan to organize events such as symposiums, establish a Yosakoi dance stage, set up alumni associations, and undertake various initiatives that contribute to the future development of Kochi University.

We are dedicated to striving together as faculty, staff, and students to achieve the goal of becoming an SRU (Super Regional University) – a university that can support and transform the local community.

We sincerely hope for your understanding and seek your support and cooperation as we move forward in the direction that Kochi University envisions for the future.
